

Final Project Proposal

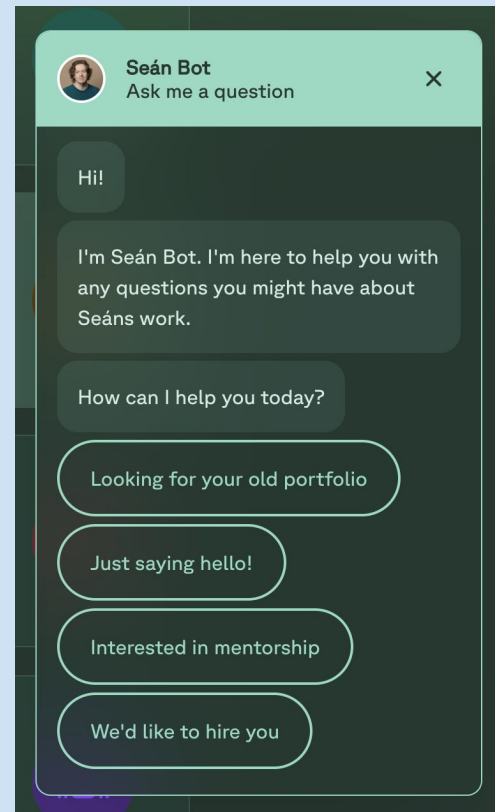

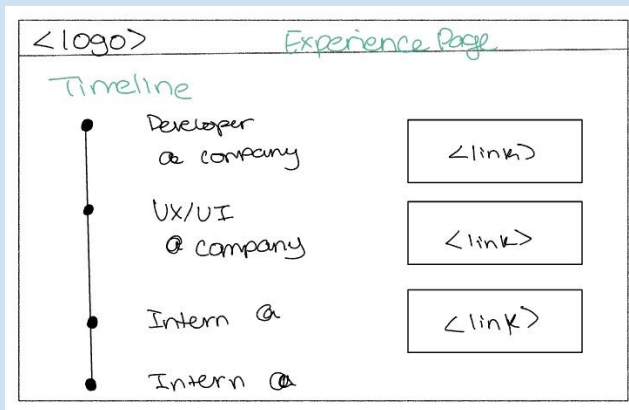

By: Shirley L

Current

Additions

- Add Javascript Component
 - Pop-up chat?
 - Progress bar?
- Add some extra pages
- Change color Palette
- My experience Page

Bootstrap Components

- Carousel feature in front page
- Jumbotrons for project Index cards
- Footer

Other components:

- More media query
- Form Elements
- Nav Bar
- More CSS styling

Add borders

Or, keep it light and add a border for some added definition to the boundaries of your content. Be sure to look under the hood at the source HTML here as we've adjusted the alignment and sizing of both column's content for equal-height.
